

Dear B.W.P.,

I can't thank you enough for sending the E.S.V. Study Bible I requested. God had worked some miraculous ^{things} to turn an atheist into a servant of the Most High. In earning a graduate degree in Christian Counseling, it's been a privilege to lead a Christian Discipleship program at this facility. It's been so rewarding to have invested my time and energies into the men here and see God transform their life for the better.

It would be an honor to learn more about B.W.P. If there is anything I can do - Biblical research, Greek or Hebrew exposition, etc., please let me know. As our Savior has said, ...
"But whoever would be great among you must be your servant..." -
Matthew 20:26.

Appreciatively,
