

Dear Mrs. Cassidy

6-5-22

I want to thank you for ordering me the NKJ Study Bible. I will use it daily in my scriptural studies. It will help me better understand the bible. It's very nice of you to help inmates like myself with the Word of God, and spreading the Word. I still have 12 years left out of a 22.5 yr sentence. It will be well used over time and time again. I hope I will have a closer relationship with my Heavenly Father as I read His instructions to me on how to live a Christ-like life and become a better person to my family and children. I know in my heart that you will change many lives like myself. Again, I want to thank you for all you do. Bless you and your family.

Sincerely, MR
